

SPECIMEN PICK UP

The CSR is pleased to announce sample drop off and pick up in the Longwood area.

@ Endocrine Division, CL 16060.16, Center for Life Sciences, 3 Blackfan Circle (16th Floor)

Pickups will be scheduled, as needed, on a weekly basis.

All requests for pickup must be made to WZHANG39@mgh.harvard.edu BEFORE 10AM Tuesday.

AFTER CONFIRMATION OF PICKUP, samples must be dropped off BEFORE 4pm Tuesday.

Appropriate requisitions must be included with the samples.

If the doors are locked, for access Call 617-919-2930 (x42930) from the phone near the 16th floor elevator.

Samples will be picked up within 24 hours. They will NOT be refrigerated so please insure sufficient dry ice or cold packs for sample preservation.
